EXERCISE D:
OPEN DATA AND ELECTION OBSERVATION TIMELINE

Based on your monitoring priorities and objectives, groups should specify a list of observation activities with a corresponding realistic, if not broad, timeline.

TABLE D: *OPEN DATA AND ELECTION OBSERVATION TIMELINE EXAMPLE*

Timing	Process	Observation and/or Open Data Activity
March	Legal Framework	Core team analyzes legal framework for upcoming elections
April	Voter Registration	Core team requests preliminary voter list
June–July	Voter Registration	Training and deployment of voter registration observers
August	Voter Registration	Core team analyzes preliminary voter list
September	Ballot Qualification	Training and deployment of candidate nomination observers
September	Ballot Qualification	Core team requests candidate nomination applications and analyzes them

TABLE D: *FILL IN YOUR DATA*

Timing	Process	Observation and/or Open Data Activity
